Budget

- 04/09/2024 Fiscal year 2024/2025 first draft budget was presented to the Finance Committee for review and discussion.
- Significant budget updates as follows:

3.5% COLA

Water/Sewer Stormwater CIP Expense decreased from \$175,000 to \$121,875 and moved from Risk Management expense account to the Disaster Mitigation expense account.

SEWER CIP expenses decreased from \$578,000 to \$433,875.

WATER CIP expenses increased from \$4,854,345 to \$5,609,430 mainly due to the progression of the Tank 4 project.

The Water Reliability expenses will be fully funded with the 75% FEMA reimbursements and the remaining 25% will be withdrawn from the Water Bond 2023A Fund. Leaving a healthy reserve in the Fund 320 Water CIP account and an approximate 2.5M balance in the Water Bond Fund 223 account in the event the Tank 4 project needs additional CSD funding.

- 05/14/2024 Fiscal year 2024/2025 second draft presented with changes stated above.

Hexavalent Chromium

The State Water Resources Control Board (SWRCB) adopted the new hexavalent chromium maximum contaminant level (MCL) on April 17, 2024. The new MCL has decreased from 50 parts per billion (ppb) to 10 ppb. In order to become final, the Office of Administrative Law must approve the Regulation. Once approved, the Regulation is expected to take effect by October of 2024 and the District will have 3 years from the adoption date to comply.

PFAS MCL

The U.S. EPA established new MCLs for PFAS chemicals: 4 parts per trillion (ppt) for PFOA and PFOS as individual contaminants and 10 ppt for PFNA, PFHxs, and HFPA-DA. Separately, the California Office of Environmental Health and Hazard Assessment (OEHHA) established public health goals (PHG) of 0.007 ppt for PFOA and 1 ppt for PFOS. The SWRCB is considering accepting the federal MCLs; once they do, the District will have five years to comply.

PFAS Liability Protection

PFAS chemicals are being considered for the hazardous substances list as defined under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). If added, water systems could be held financially liable for the cleanup of PFAS regardless of the fact that they were not the polluters.

To avoid this, statutory protection for water systems is being proposed in S. 1430 and H.R. 7944 (the companion bill), both the Water Systems PFAS Liability Protection Act. The Act would exempt water systems and hold entities responsible for PFAS contamination financially liable instead. S. 1430 was referred to the Senate Environment and Public Works committee in May of 2023 and is still under review. H.R. 7944 was referred to the Committee on Energy and Commerce as well as the Committee on Transportation and Infrastructure in April of 2024.

H.R. 7525—Special District Grant Accessibility Act

The House passed H.R. 7525, the Special District Grant Accessibility Act, which would codify the definition of a “special district” into federal law. This will help special district secure federal funding and other opportunities as other local federally-recognized agencies do. The bill has been moved to the Senate and referred to the Committee on Homeland Security and Governmental Affairs.

Initiative 1935 (#21-0042A1)

Initiative 1935, the “Taxpayer Protection and Government Accountability Act,” is a California ballot measure that would restrict the ability of state and local governments to implement new fees and charges. For example, a two-thirds voter approval would be required when implementing new fee structures whereas a voter majority opposition is required now. Also, the bill could retroactively invalidate all state and local taxes or fees adopted since January 1, 2022.

The District adopted *Resolution 2022-09* to formally oppose the Initiative in September of 2022. Opposers of the bill proposed Assembly Constitutional Amendment 13 (ACA 13) in an attempt to reduce the likelihood that the Initiative would pass the by modifying voter threshold requirements; ACA 13 will be on the November 2024 ballot along with the Initiative.

Opponents of the Initiative also took to the Supreme Court in *Legislature v. Weber*. If ruled in favor of the Legislature, the Initiative will be removed from the ballot. On May 8, 2024 the Court heard the initial arguments and is expected to form a ruling in June.

AGENDA ITEM: DISCUSSION AND POSSIBLE ACTION: Authorize the General Manager to enter into an Agreement with Kutak Rock Law Firm for General Financial Advisory Services

RECOMMENDATIONS: Authorize the General Manager to enter into an Agreement with Kutak Rock Law Firm for General Financial Advisory Services

FINANCIAL IMPACT: Funds have been appropriated in Fund 130 (water enterprise fund) for general advisory services. Hourly rate \$550.00

BACKGROUND: Cyrus Torabi of the law firm of Stradling Yocca Carlson & Rauth represented the District as bond and disclosure counsel for the purpose of the 2023 water revenue bond. Mr. Torabi has recently announced he has recently moved to a new law firm, Kutak Rock LLP.

Kutak Rock has over 500 attorneys in about 20 offices nationwide, including over 100 public finance attorneys in its nationally ranked bond counsel practice.

An approved engagement letter will allow the District to continue services with Mr. Torabi on an as needed basis. Having an engagement letter approved in advance would allow Mr. Torabi to quickly respond to any questions that the District may have and ensure anything sensitive discussed is subject to attorney-client privilege.

Re: Agreement for Legal Services – General Advisory

Dear Mr. White,

Thank you for the opportunity to provide legal services (the “**Legal Services**”) to Hidden Valley Lake Community Services District (the “**District**”). The Legal Services to which this letter (this “**Letter**”) relates consist of general advisory services in connection with debt and financing matters, including the tax aspects thereof, to be provided to the District from time to time upon the District’s request.

The purpose of this Letter is to describe the terms and conditions on which the District has engaged Kutak Rock LLP (the “**Firm**”) to provide the Legal Services. This Letter does not engage the Firm to represent the District with respect to any matters not specifically described herein. The District agrees that the Firm is not acting as the District’s general counsel and agrees not to identify the Firm as the District’s or general counsel or outside general counsel in any manner. Because of the limited scope of our engagement, we may not be aware of all legal and business issues related to the District or any of its affiliated entities. The District acknowledges that the Firm is acting as its legal counsel only with respect to the scope of the Legal Services described herein, and the District is not relying on the Firm for accounting, financial or related advice.

1. **Services to be Provided by Firm.** The Firm will provide legal advice relating to debt and financing matters from time to time upon the District’s request, and correspondence and interactions with applicable outside entities upon the District’s request.

2. **Entity Representation.** The Firm is being engaged by the District to provide advice to the District, as an entity, in connection with the Legal Services. While the Firm may be meeting and interacting with the District’s Board of Directors, senior administrative staff, managers, employees and other representatives of the District during the course of our provision of Legal Services, the Firm is not acting as legal counsel to any of these persons in their individual

capacities in connection with the Legal Services or otherwise. We encourage these individuals to seek separate legal counsel if necessary or relevant.

3. **Cooperation by District; Communications.** The District agrees to cooperate with the Firm as necessary to allow the Firm to provide competent legal representation with respect to the Legal Services. Among other things, the District agrees to provide the Firm with all documents and other relevant and material information needed by the Firm to provide the Legal Services. While the Firm will provide the District with the Firm's recommendations as to courses of action available to the District, the District retains the right to make the final decision with respect to any issue about which the Firm provides the Legal Services.

We understand that the Firm is to report to and take direction from Mr. Dennis White, General Manager, and other individuals reporting to Mr. White for this engagement. If you should prefer that the Firm report to another person or persons, please let us know.

Unless we hear differently from you, the Firm may communicate with you and other representatives of the District by electronic mail, mobile phone or similar electronic devices, provided that confidential documents shall be transferred by Microsoft OneDrive. You and other representatives of the District are welcome to communicate with us by electronic mail or mobile phone or such similar electronic devices. Please remember that these forms of communication may not be secure and that you should avoid sending sensitive or confidential communications in this way unless they are encrypted adequately. The District's privacy and confidentiality are important to the Firm, but we cannot guarantee the privacy or confidentiality of any information sent by you or other representatives of the District by means of these forms of communication.

4. **Kutak Rock Team.** Our goal is to provide the District with high-quality legal services in a timely and cost-efficient manner. Cyrus Torabi, as a partner in the Firm's Public Finance practice, will be the primary contact for the Legal Services. Mr. Torabi will be assisted by Mr. Matthias M. Edrich, a partner in the Firm's Public Finance Tax practice, and by one or more other partners, associates, lawyers and paralegals, as necessary. Each member of the Firm's team will strive to make themselves available on a timely basis to answer questions and discuss issues pertaining to the Legal Services, in a manner that aims to reduce legal time and costs to the District.

5. **Fee Arrangement.** The District agrees to pay the Firm for the legal services performed by the Firm in connection with this engagement at a blended hourly rate of \$550 for partners and "of counsel" attorneys. We normally record time in one-tenth of an hour (six-minute) intervals for actual time spent on a matter, including, if appropriate, required travel time. In addition, other attorneys and paralegals may be involved in the Legal Services, and their time will be billed at their standard hourly rates, which range from \$265 - \$445 for associates and \$175 - \$275 for paralegals. These standard billing rates are subject to periodic adjustment, and such adjustments may occur during the course of our representation. We will notify you in writing of

any change in applicable billing rates that occur during the course of the Firm's engagement for this matter.

6. **Retainer.** We will not require a retainer from the District for this engagement, although should the nature or scope of our engagement change, we reserve the right to request a retainer.

7. **Costs, Expenses and Disbursements.** The District agrees to reimburse the Firm for costs, expenses and disbursements the Firm incurs in connection with our engagement for the Legal Services as described on Exhibit A. Our disbursements will be separately itemized on each invoice we provide to the District for our legal services. We reserve the right to require the District to pay directly any significant expenses, such as filing and registration fees.

8. **Billing and Payment.** We will bill for our services monthly, and they will become due and payable, at the end of each calendar month (for time incurred during the prior calendar month). Fees may be paid by check or wire transfer pursuant to the instructions set forth on our invoices. We will not bill for time spent prior to the date on which the District signs and returns this letter. Please feel free to contact me directly if you have questions about any of our statements or would like to know the amount of fees and disbursements that have been recorded on our accounting system but not yet billed.

9. **Concurrent Representation.** Because of the nature and scope of the Firm's legal practice, we are, from time to time, asked to concurrently represent one client in a particular case or matter and another client in a different matter. If, in our professional judgment, the representation of one client will not be directly adverse to the representation of another client, we can undertake the concurrent representation without any effect on the other responsibilities we have to either client. The Firm also represents clients in competing or similar businesses. You acknowledge that you do not consider such concurrent representation, in unrelated matters where the interests of the clients are not directly adverse, to be inappropriate. In addition, because we represent many other clients throughout the United States of America, we cannot institute litigation against these clients. If representation of the District's interests in connection with the Legal Services would require such action, we reserve the right to either withdraw from representation of the District or, after consultation with you, refer that particular litigation matter to other counsel to handle.

10. **Subpoena, Depositions and Related Matters.** If we are required to respond to a subpoena of our records relating to services we have performed for the District in connection with the Legal Services, or to testify by deposition or otherwise concerning such services, we will first consult with you as to whether you wish to supply the information demanded or assert the District's attorney-client privilege to the extent that the District may properly do so. The District agrees to reimburse us for our time and expenses incurred in analyzing and responding to any such demand, including review of records, appearing at depositions or hearings and otherwise litigating issues raised by the request.

11. **Discharge and Withdrawal.** The District may terminate our engagement as its legal counsel in connection with the Legal Services by notifying the Firm thereof in writing. Similarly, the Firm may withdraw as legal counsel to the District in connection with the Legal Services and terminate this engagement by notifying you thereof in writing. In either event, the District will be required to pay all of the Firm's fees for services rendered and expenses incurred through the date of termination. All fees and expenses will be due and payable on the date of termination, with late charges, if any.

12. **Document Retention.** After the Firm's services conclude, the Firm will, upon the District's request, deliver the District's files to District, along with any District funds or property in the Firm's possession. Otherwise, all such documents will thereafter be destroyed in accordance with our established document retention policy.

13. **Completion of Matter.** After completion of the Legal Services or earlier termination of our representation of the District in connection with such Legal Services, we will not continue to review matters or update the District concerning legal developments, such as changes in applicable laws or regulations, that may be relevant to the Legal Services unless you specifically request in writing that we do so. If you do ask us to review a specific matter on which we have previously worked, we will consider that a new representation.

14. **No Guarantee.** We will perform our professional services for the District to the best of our ability, but we cannot make and have not made any guarantees regarding the outcome of our work in connection with the Legal Services.

15. **Entire Agreement; Amendment.** This Letter contains the entire agreement between the District and the Firm regarding the professional legal representation described herein. Except for the periodic fee adjustments described herein, the agreements in this Letter may be amended only in writing signed by the District and the Firm.

16. **No Third-Party Beneficiaries.** This Letter is an agreement between the District and the Firm, and neither this Letter nor the performance of the terms hereof create any rights in any other person. There are no third-party beneficiaries to this Letter.

17. **Applicable Law.** This Letter will be construed, interpreted and governed by the laws of the State of California without regard to the principles of conflicts of law.

If this Letter correctly sets forth the terms of our engagement and is acceptable to the District, please have an authorized signatory of the District sign on the lines provided for their signature and return it to this office. You may deliver a countersigned copy of this Letter by email or other means of electronic transmission.

We look forward to working with you to provide the Legal Services. Throughout our representation, we want you and the District to be satisfied with the professional services we

RECOMMENDATIONS:

Authorize the General Manager to Contract with GinnLaw, P.C. for Legal Services Relating to the Water Storage Reliability Project

FINANCIAL IMPACT:

Budgeted Item 130-5-00-5121

Fully refundable retainer: \$5,000

BACKGROUND:

The Water Storage Reliability Project, aka the Tank 9 Project, has been in active construction since September of 2023. To date, this project has accrued 44 Requests for Information (RFIs), and 16 Submittals. Expenditures have exceeded \$1M. This is a financially important project for the District, and has exhibited a significant amount of complexity. On occasion, that complexity requires legal advice.

From time to time, staff has contacted Bartkiewicz, Kronick, & Shanahan, PC for that legal advice and guidance. At this juncture, it is legal counsel Doug Coty's opinion that it would be in the District's best interest to contract with a firm more focused on construction contract law.

The attached contract will serve as the specialized legal support for the ongoing construction project.

District staff appreciates direction in this matter.

5. LEGAL FEES AND BILLING PRACTICES. You agree to pay by the hour at our prevailing rates for time spent on your matter by our legal personnel. Our current hourly rates

for legal personnel (and other billing rates) are set forth on the attached Rate Schedule. The Rate Schedule also provides for periodic increases.

If we use the services of an outside vendor to handle case documents in electronic form, you will be responsible for all costs and fees associated with that.

6. COSTS AND OTHER CHARGES.

a. In General. We will incur various costs and expenses in performing legal services under this Agreement. You agree to pay for those costs and expenses in addition to the hourly fees. The costs and expenses commonly include fees fixed by law or assessed by public agencies, long distance telephone calls, conference calls, filing fees, court reporting or transcription fees, facsimile transmissions, messenger and other delivery fees, postage, parking, public transportation, and other travel expenses, photocopying, scanning, microfilming or other reproduction costs, clerical staff overtime, word processing charges (not regular secretarial services during normal business hours), charges for computer on-line time (i.e., Lexis, Westlaw, Internet or similar services) and other similar items. Except for the items listed on the Rate Schedule, all costs and expenses will be charged at our cost.

The Law Firm may request that you enter into agreements with, and provide payment directly to service providers, such as mediators, arbitrators, investigators, consultants, copy services or other vendors providing services on your behalf. You are obliged to comply with these requests, and to provide prompt payment of deposits and invoices from such service providers. Client shall provide copies of contracts and all payments made to such service providers to Law Firm. Law Firm will obtain Client's consent before incurring any costs in excess of \$5,000.

b. Work by Lawyers and Legal Assistants. The Law Firm strives to provide clients with cost-effective legal representation. To that end, less senior associates or legal assistants will assist as appears appropriate to the law firm, and in the best interests of the client. At times, lawyers may perform the functions that would normally be performed by a legal assistant. Under those circumstances, the lawyer will charge at the legal assistant rate. Lawyers or legal assistants performing secretarial work will not charge client for such services.

c. Out of Town Travel. You agree to pay transportation, meals, lodging and

all other costs of any necessary out-of-town travel by the Law Firm's representatives. You will also be charged the hourly rates for the time legal personnel spend travelling.

d. Consultants and Investigators. To aid in the preparation or presentation of your matter, it may become necessary to hire consultants or investigators. The Law Firm will not hire such persons unless you agree to pay their fees and charges. The Law Firm will select any consultants or investigators to be hired.

Each statement will be due within 30 days of its date, subject to change if Client fails to pay invoices promptly. You may request a statement at intervals of no less than 30 days. Client agrees to promptly review all bills rendered by Law Firm and to promptly communicate any objections, questions, or concerns about their contents. approval. Client retains the absolute right to accept or reject any settlement.

9. DISCHARGE AND WITHDRAWAL. You may discharge this Law Firm at any time. We may withdraw with your consent or for good cause. Good cause includes your breach of any part of this Agreement, your failure to pay our invoices in a timely manner, your failure to pay invoices of service providers, your refusal to cooperate with us or to follow our advice on a material matter, or any fact or circumstance that would render our continuing representation unlawful or unethical. Please note that entities involved in litigation must be represented by legal counsel.

10. CONCLUSION OF SERVICES. When our services conclude, all unpaid charges will immediately become due and payable. Client agrees to cooperate in the prompt execution of all papers necessary to affect the Law Firm's withdrawal from any matter, and to either represent his or her self, or retain substitute counsel.

Client may have access to Client's case file at Law Firm's office at any reasonable time. At the end of the engagement, Client may request the return of Client's case file. If Client has not requested the return of Client's file, and to the extent Law Firm has not otherwise delivered it or disposed of it consistent with Client's directions, Law Firm will retain the case file for a period of 60 days, after which Law Firm is authorized by this agreement to have the case file destroyed. If Client would like Law Firm to maintain Client's case file for more than 60 days after the conclusion of Law Firm's services for Client on a given matter, a separate written agreement must be made between Law Firm and Client, which may provide for Client to bear the cost of maintaining the file. In the event Client requests that Law Firm transfer possession of Client's case file to Client or a third party, Law Firm is authorized to retain copies of the case file at Law Firm's expense. The case file includes correspondence, pleadings, deposition transcripts, experts' reports and other writings, exhibits, and physical evidence, whether in tangible, electronic or other form, and other items reasonably necessary to the client's representation.

11. NON-DISCRIMINATION POLICY; DRUG FREE ENVIRONMENT. This Law Firm respects the diversity of our culture, and will not unlawfully discriminate on the basis of race, gender, national origin or sexual orientation. The Law Firm and its personnel shall maintain a drug-free environment at the workplace, and at any location where the Law Firm is representing the client.

12. PROFESSIONAL LIABILITY INSURANCE DISCLOSURE. Under California law, lawyers are required to disclose in agreements such as this one whether they are covered by professional liability insurance. At present, the Law Firm has professional liability coverage in the sum of \$1 million per occurrence, \$1 million in the aggregate per year, with a \$10,000 deductible. The Law Firm will advise you if there are any changes in policy limits. A certificate of insurance will be made available upon request.

13. DISCLAIMER OF GUARANTEE AND ESTIMATES. Nothing in this Agreement and nothing in Law Firm's statements to Client will be construed as a promise or

guarantee about the outcome of the matter. Law Firm makes no such promises or guarantees. Law Firm's comments about the outcome of the matter are expressions of opinion only, are neither promises nor guarantees, and will not be construed as promises or guarantees. Any deposits made by Client, or estimate of fees given by Law Firm, are not a representation of a flat fee and will not be a limitation on fees or a guarantee that fees and costs will not exceed the amount of the deposit or estimate. Actual fees may vary significantly from estimates given. If, at any time, you have a concern or question regarding the legal services provided to you, please contact David Ginn directly.

14. NO TAX ADVICE. Law Firm has not been retained to provide Client with any tax advice concerning any of the services provided under this Agreement. Any documents prepared by Law Firm may have specific tax ramifications. To be sure Client understands and is certain of all the potential tax consequences, Client should consult with tax advisors regarding these matters.

15. SEVERABILITY IN EVENT OF PARTIAL INVALIDITY. If any provision of this Agreement is held in whole or in part to be unenforceable for any reason, the remainder of that provision and of the entire Agreement will be severable and remain in effect.

16. MODIFICATION BY SUBSEQUENT AGREEMENT. This Agreement may be modified by subsequent agreement of the parties only by an instrument in writing signed by both parties.

17. EFFECTIVE DATE. This Agreement will govern all legal services performed by Law Firm on behalf of Client commencing with the date Law Firm first performed services. The date at the beginning of the Agreement is for reference only. Even if this Agreement does not take effect, Client will be obligated to pay Law Firm the reasonable value of any services Law Firm may have performed for Client.

18. GENERAL PROVISIONS. The services provided to you are by lawyers qualified to practice in California. Lawyers cannot practice law in jurisdictions in which they are not licensed. Consequently, should the scope of legal services include an opinion based on the laws of another state, client agrees that no reliance will be placed on such opinion, and that client will retain independent counsel qualified in the appropriate jurisdiction prior to acting on any advice or counsel. This Agreement is to be performed primarily in County of Contra Costa, State of California. In the event of any dispute, the parties will make a good faith attempt to resolve their dispute through mediation prior to proceeding with any other action.

19. LIEN ON PROCEEDS. Law Firm has a lien on any and all claims that are the subject of Law Firm's representation under this Agreement. Law Firm's lien will be for any sums owing to Law Firm for any unpaid costs, or attorney's fees, at the conclusion of Law Firm's services. The lien will attach to any recovery Client may obtain, whether by arbitration award, judgment, settlement or otherwise. An effect of such a lien is that Law Firm may be able to compel payment of fees and costs from any such funds recovered on behalf of Client even if Law Firm has been discharged before the end of the case. In the event Law Firm withdraws from representing

Client without cause, Law Firm will not be entitled to any lien for fees. The lien will exist and attach to any recovery only for costs already advanced by Law Firm pursuant to Paragraph 6. Because a lien may affect Client's property rights, Client may seek the advice of an independent lawyer of Client's own choice before agreeing to such a lien. By initialing this paragraph, Client represents and agrees that Client has had a reasonable opportunity to consult such an independent lawyer and—whether or not Client has chosen to consult such an independent lawyer—Client agrees that Law Firm will have a lien as specified above.
