Open roles within the team include:

- Auxiliary Communication

- Other (Do you possess a unique skill not listed above that could support emergency management?)

Prospective volunteers are invited to submit their applications online at <https://www.lakesheriff.com/about/OES>. Following a screening process, selected applicants will undergo a background check.

The application and background check procedures are essential steps in our commitment to:

- Assess the qualifications and skills of volunteers, ensuring optimal role assignment and utilization of each volunteer's strengths.
